Memorials for the Cameron Public Library have reached almost $100 since July 1, according to Library records.

And contributions to the Library Sustaining Membership fund drive have exceeded $600 since last week with memberships going to Rotarians, History Club, Fleur - de-lis and other individual members.

It is interesting to see the continuing support for a project that was once considered a luxury, but now is considered a necessity in every community.

HOW 30 STARTED -- People are often asking: where does the term "30" originate? We have read of 18 versions ranging from the fact that three Roman numerals XXX were used on written copy (before typewriters) to the story about a telegrapher by the name of Taurty who signed his dispatches with his name, which ultimately was translated into "thirty".

TIGER WON -- Eddie Huntsman Jr., Pam Neely and Dorcas Ann Smith, Yoe Sophomores, put the finishing touches on the crippled tiger for the Yoe pep rally. But the Tigers of Rockdale were the winners in the game Friday night as they dropped the Yoemen. The Tigers will represent Milam County and District 19AA in state playoffs. -- Staffoto.

Arson Suspected In House Blaze

PRESCOTT HOME BURNS TUESDAY $10,000 DAMAGE

An unknown arsonist apparently squirted coal oil on a corner of the Jack Prescott residence, 710 E. Seventh St., Tuesday night and started a fire causing about $10,000 damage.

Jack Prescott, Milam county - district attorney, his wife Mary, daughter Suzan, and son Jerry, escaped from the house when Prescott discovered the blaze about 10:45 p. m. Tuesday.

Fire Chief Carl Black and Fire Marshall John Eanes estimated that Cameron Volunteer Firemen fought the elusive interior wall blaze about an hour and a half.

The probability of arson was discovered as the fire blazed on the west side of the large frame, two-story home. Prescott said he noted a flare - like flame burning at the ground level when he first discovered the fire.

SAMPLE TAKEN

Chief Black took samples of the earth at the southwest corner of the house which smelled heavily of coal oil or similar petroleum substance. A jar of the dirt was taken for further analysis.

Hundreds gathered as firemen pulled furniture from the main-floor living room and then sprayed water from ground level, over the west - side rooftop and from inside the second floor.

Damage to an upstairs bedroom, walls, interior ceilings and rooftop on the west side of the house was estimated at about $10,000, Chief Black said. Adjusters were surveying damage at presstime.

Prescott went to his front door to quiet the family dog, which had set up a howl. He told The Herald he smelled smoke and then saw some flames at the base of the corner foundation. He called the fire department.

Firemen later ripped away wall boards to find that the burned area started two feet from the ground. A wall plug located five feet from the point of the blaze showed no signs of burning.

SPECULATION

Officials speculated that some unknown person actually squirted coal oil or similar substance into the corner of the wall. Further speculation was that the coal oil dripped down to the ground and ignited.

Chief Black pointed out that the fire started about two feet above the metal covered foundation and whooshed upward between the outside planking and interior walls.

During the fire, volunteer firemen had to cut into the roof to get water down on the blaze.

The Prescott youngsters were taken to the S. D. Ripley home. Mr. and Mrs. Prescott remained at the scene.

Neighbors across from the Prescott home saw smoke curling from the outside of the house as the fire alarm sounded.

Smoke rolled from the second floor and attic areas as firemen brought in hoses and ladder.

Flames were extinguished about 12:30 a. m. Wednesday.

15 Entries In For Santa Parade

Fifteen entries have registered with the Chamber of Commerce to participate in Cameron's annual Christmas Parade scheduled for Friday, November 30, according to officials of the Trade Development Committee.

Pack No. 88 of the Cub Scouts was the first children's group to enter a float. Entries for floats have also been received from the Pleasure & Profit Club, Trinity Lutheran Church, Progressive Baptist Church and the Bethel A M E Church.

Bands scheduled to participate are the Yoe High School Band and the O. J. Thomas School Band. The Cameron Riding Club and the Town and Country Riding Club of Davilla have signed up for the parade.

New cars and implements will be shown by the Business & Professional Womens Club, Schiller Motors, Woodum Auto Sales and Duncum Implement.

About 50 community groups have been invited to participate in the Christmas Parade. Officials of the Chamber invite any group, wishing to enter a float, to call the Chamber office. Cash prizes will be awarded by the Cameron Chamber for the best floats.

Santa Claus will highlight the parade as he brings up the rear of the parade column. Immediately following the parade he will greet Milam County Youngsters at the Courthouse.

Killeen Man, 87

Wreck Kills One

Funeral services were held in Waco this week for Joseph A. Terrell, 87, of Killeen, killed in a one - car accident Monday morning near Maysfield.

Terrell was pronounced dead at the scene of the accident by Maysfield Justice of Peace John Thweatt, according to Highway Patrolman Durwood Kennedy.

Driven by Terrell's daughter, the 1957 Chevrolet went out of control on a rain - soaked US 190 left the highway as it rolled two times and landed upright in a pasture.

Driver Jessie Terrell Dosher, 59, also of the same Killeen address, suffered cuts on her hands and face and other injuries not considered serious.

The accident, first Milam traffic fatality in several months, occured at 11:20 a. m. Monday on US 190, a mile east of Maysfield.

Mrs. Dosher was taken to St. Edward Hospital in Cameron for emergency treatment. Terrell's body was taken to Marek - Burns Funeral Home and later transferred to a Waco funeral home.

Mrs. Dosher and her father were returning to Killeen from Conroe, highway patrol officials said. Rain - soaked US 190 was considered the cause of the car going out of control.

Council O Kays C D Ordinance

The City Council Tuesday approved an ordinance authorizing a Cameron Civil Defense program.

Mayor Coleman Duncum told Councilmen of a two - day Civil Defense seminar he attended this week in Austin. It was conducted by the State Civil Defense board and featured speakers from both state and federal Civil Defense programs.

Following reading of the long ordinance, City Councilmen approved it, which authorizes appointment of 10 Civil Defense commissioners, headed by the mayor.

Duncum pointed out that many cities are adapting programs separate from county control since the county organization is primarily responsible for areas outside the limits of incorporated towns.

The ordinance form was recommended by State Civil Defense authority.

In other action, the Council approved the purchase of a new traffic signal for the intersection of Travis and West Fourth St. and called for prices on "no parking" signs for West Fourth St. (SH 36). Two weeks ago, the Council had approved an ordinance making parking illegal on West Fourth from Travis to the west city limits.

Reports from city street and water departments showed:

--Installation of 450 feet of 6-inch sewerline on North Colfax and a total of 570 feet of 4-inch sewerline in two other areas of Cameron.

--Planning for installation of watermains on Sixth Street and start of plans for E. Seventh St. paving.

Rites Held For Mrs. Zellner, 65

Funeral services for Mrs. Mamie Brady Zellner, 65, who passed away in a local hospital Monday November 19 were held Wednesday November 21 at First Methodist Church. Rev. C. A. West and Rev. Calvin Beckendorf, pastor of Maysfield Methodist Church, officiated. Burial was in Oak Hill Cemetery.

Mrs. Zellner was born in Maysfield and had lived in Cameron most of her life. She was a member of First Methodist Church and secretary at St. Edward Hospital.

Survivors are two brothers, V. E. Brady of Dallas and Owen Brady of San Francisco, Calif.; and two sisters, Mrs. John Thweatt of Maysfield and Mrs. Viola Peel of Corpus Christi.

Marek - Burns Funeral Home was in charge of arrangements.

19AA's Rockdale Faces Lockhart

Rockdale will be host to Lockhart 7:30 p. m. Friday in the District 19AA - 20-AA bi - district playoff.

Rockdale's heavy offense was too much for the lighter Yoemen as the Tigers outscored the Yoemen 46-16 before a crowd of about 3800. The win gave Rockdale undisputed championship of District 19AA.

Rockdale gained the clear cut title by its defeat of Cameron and Caldwell's victory over Hearne.

Lockhart won a 7-3 record this year in District 20AA. One of the losses was to Elgin crushed by Rockdale, 30-0. But the Elgin win over Lockhart was an upset.

Rockdale has a 9-1 record for the season with their only loss coming at the hands of the Hearne Eagles. Hearne ended the season in a tie with Caldwell. Cameron ended in a tie with A & M Consolidated for the next position and Navasota was last.

Rockdale's victory over Cameron came as QB Dickie Summers had a big night. He tossed second quarter passes to Ernie Laurence, and Sowers and ran three touchdowns himself. Then he tossed a touchdown pass to Ronnie Seelke in the third quarter.

The Yoemen's two touchdowns came on plunges by Freshman QB Mack McKinney as he followed through the hole from a few yards out. McKinney hit Mike Perrin for two extra points and Mike Mikula hit Ronnie McWilliams for the two points after the second touchdown.

Tickets for the playoff game are on sale at the Rockdale High School and a capacity crowd is expected for the contest Friday night.

PTA Plans Made For Book Fair

Preliminary plans are being made by Cameron Parent - Teachers Association for a Book Fair to be held Dec. 5, 6, and 7.

Book displays will be arranged in each of the three schools. Parents book night will be held Dec. 6. At this regular meeting parents will have the opportunity to purchase books as gifts and to help develop good reading habits for children.

Thorndale Makes Christmas Plans

The Thorndale Chamber of Commerce has announced plans for this year's Christmas activities.

Santa Claus will be in the business district on two afternoons, December 7 and 11.

Plans also call for a home decoration contest, a window guessing contest and a drawing for three valuable prizes.

The home decoration contest will be divided into three categories, modern, traditional and religious

Booster Club Sets Meeting Dates For Basketball Season

About 35 members attended the Cameron Booster Club meeting last week at the Yoe High Agriculture building.

It was decided to hold meetings on the first and third Mondays of December, January and February. This will be during the basketball season.

All Cameron Booster Club members are urged to attend the next meeting. Also they are asked to attend the basketball games this year.

The Booster Club was organized this year to boost all sports in Cameron.

Citians Attend Dallas Presentation

Mr. and Mrs. W. E. Obermiller and Mr. and Mrs. Eddie Huntsmann were in Dallas Saturday night to attend a dinner party honoring Congressman Olin E. Teague who was presented with a plaque for outstanding work in veteran's affairs.

Obermiller is national service officer for the Disabled Veteran's Organization and Huntsman is commander of the local chapter of the DAV.

The dinner party was hosted by the four DAV chapters of Dallas. Several congressmen from over the nation were present.

Obermiller is at this time working in Dallas and commutes from here to his work.

Shetland Pony To Be Given Away At Pancake Supper

Another new feature has been added to the "Little Jewel Jamboree" an event which promises to bring fun and entertainment to all Milam Countians.

A Shetland pony will be given away to some lucky person in addition to the pancake supper and stage show on November 30 at the Simon - George Hall.

Members of the Chamber of Commerce will begin serving the pancake supper at 5:30 p. m. The stage show will follow at 8 p. m. and the pony will be given away during the show, according to officials of the sponsoring Publicity Committee of the Chamber.

The stage show will highlight the evening with a variety of oustanding entertainment by Bill Austin of Austin, John Moehring of Rockdale and the Geesenslobs of Rockdale.

Proceeds from the jamboree will go toward the purchase of "Welcome to Cameron" signs to be erected at each of the three highway entrances to Cameron.

Rogers Cancels Annual Pecan Show

ROGERS — At the regular meeting of the Rogers Community Service Club Tuesday night Joe Zajicek, chairman of the Pecan Show Committee, announced that the annual show will not be held this year due to the very poor pecan crop in this area. The show is an annual affair, and plans will go forward to have them in the future.

Clayton Clowers, appointed to conduct the local boy scout finance drive, announced plans for the drive in Rogers, and gave working materials to the captains. He also presented Gene Butler, Scout Executive from the Heart of Texas Boy Scout Council in Waco, who spoke on the good work of the Council for the boys of this area.

Wacoan Sentenced In Check Case

James Cunningham, Jr. of Waco, Friday in Milam District Court entered a plea of guilty to a charge of swindling by worthless check and drew a two - year probated sentence.

Cunningham was charged with swindling N. W. Boyles of worthless check March 31, 1961.

Probation of a two - year penitentiary sentence was granted during good behaviour and on condition that Cunningham make restitution of funds received by Cunningham in giving a series of hot checks, Dist - Atty. Jack Prescott reported.

District Judge W. C. Wallace presided at the hearing.

YOE - YOES DROP CONSD. 14 - 8

The Cameron Jr. High held on to a first quarter lead to down the A & M Consolidated Jr. High 14-8.

Bill Goeke scored first as the Yoe - Yoes rushed the punter, who was standing on his own goal line. The snap was over his head and the Yoe - Yoes, rushing hard, blocked the punter and Goeke fell on the ball. Donald Manley hit off tackle and went over standing up for the two points. The scoreboard showed 3:22 in the first quarter and the Yoe - Yoes ahead 8-0.

Pastor Outlines Prison Program

The Rev. J. N. Foreman, former chaplain in the Texas Dept. of Corrections and pastor of the Rockdale First Baptist Church, described the prison rehabilitation program Wednesday.

Addressing a combined Rotary-Lion Thanksgiving luncheon, Rev. Foreman listed features of the "Point Incentive Program" which urges prisoners to help themselves. His talk was before the annual joint session of the two civic clubs at The Texan Western Room.

"We should all be thankful we're here, not there" he said. "And our communities need to prepare to receive them when they leave."

INCENTIVE PLAN

The Point Incentive Program has a number of areas of work available to the 12,000 inmates of the 16-unit Department of Corrections, he told the civic club members.

"Prisoners who don't know how to work are taught the work habit, a part of the 80 points that must be earned by the prisoner himself toward parole," Rev. Foreman said.

There are also times for recreation, education up to high school diploma level, religion and on - the-job training. Most of the inmates, not the least, voluntarily attend religious services, he said.

"Forty - five per cent of those 12,000 are under 21," he continued. "They can work on the 80,000 acres in the 16 units, six at Huntsville and 10 at points south of Houston.

Rev. Foreman said that the point system, graded by instructors, psychologists and guards, becomes a personality sketch of the prisoners as they progress.

NEW WORLD

"Many of them find a whole new world just by learning to read and write," he said. "Most of the prisoners have from third to fifth grade educations."

"It's the fine concept of human beings helping human beings, he emphasized. "You don't get rid of human beings," he emphasized. "You don't get rid of them (the prisoners). You help them."

He cited the need for people to be willing to give them jobs and a chance for acceptance in a society that is entirely different to them after a term in prison.

Program chairman was Rotarian Milton Schiller. Presiding over the joint meeting was Dana Kestenbaum, president of the host Cameron Rotary Club.

Dedication For New Church Sun.

The Full Gospel Church in Buckholts will hold three Thanksgiving services this weekend.

The first service will be Friday night at 7:15 p. m. continuing through Sunday night. Evangelist and Mrs. Jimmy Stewart of Dallas will conduct the services.

Sunday at 2:30 to 4:30 p. m. the congregation will dedicate the new church. Mrs. A. Z. Fuller, pastor of the church, has extended an invitation for everyone to attend.

Duncum Implement Receives Award

Mr. and Mrs. Coleman Duncum were guests of the John Deere Company in Dallas the past weekend at the Sheraton Hotel Ballroom Saturday evening at a reception and awards dinner. They also attended the Chicago Bears - Dallas Cowboys football game in the Cotton Bowl on Sunday afternoon.

Awards were given in recognition of sales achievements in 1962. Duncum Implement Company won a tractor sales award by meeting and exceeding their quota in their District in 1962.

Resource Study Group . . .

Milam Plans Announced

County Agent J. D. Moore announced this week that a County Program Building Committee, to be a resource development group, is being organized in Milam County.

The committee will represent all major economic, social and geographic areas so that no important group is omitted, Moore reported.

The county agent said that first a meeting will be called of a county Technical Action Committee, headed by Henry Ivey of the Cameron Farmers Home Administration and members Alva Sanders, ASCS office, Wayne Mann, Cameron SCS, and Moore.

They are not members of the County Program Building Committee, but will serve as resource people in helping develop back ground information, Moore said.

This group will provide background information in Milam County in line with similar study groups' reporting in every Texas county.

GENERAL USE

"This information will be made available to local, state and national groups for background information in locating industries, showing sources of labor, geographical advantages in an effort to strength en the economy of the country," Moore said.

Functions of County Program Building Committee include:

Analysis and interpretation of county trends, identifying county problems, establishing long range goals and priorities, preparing a program for total resource development, and providing leadership and assistance.

Moore noted that "organization representatives asked to participate in this effort should not only co - operate but be willing to share the responsibility of helping solve some of our local problems."

BROADER STUDY

"Emphasis on having one group concerned with over - all education program development in the county . . . is not to suggest a bandonment of any worthwhile organization effort currently underway. Rather, it is a determined effort to broaden county representation and make more effective the use of valuable background information developed by study groups appointed by the county committee," Moore summarized.

He proposed these areas of study:

ONE — Location, geography, climate and history.

TWO — Human resources including labor force and occupation groups.

THREE — Family living.

FOUR — Organizations.

FIVE — Health and public welfare.

SIX — National resources.

SEVEN — Agriculture

EIGHT — Commerce and industry.

NINE — Local government.

The next meeting of the Junior Livestock Show committee will be held on January 7 at 7:30 p. m., in the Vocational Agriculture building in Cameron.

Further information and entry blanks for the Junior Livestock Show may be obtained at the county Extension office.

UNGINNED COTTON

The simple process of grouping unginned bales of cotton according to their moisture and trash content is suggested by B. G. Reeves, extension cotton ginning and mechanization specialist, as an aid to better ginning and improved quality. This is especially true, he adds, during periods of damp weather.

RUST RESEARCH

Three years of research on rust resistant small grain varieties by Texas A & M College shows that from 2,000 to 4,000 pounds of high quality forage per acre as contrasted with 1,000 to 1,500 pounds per acre for susceptible varieties. Plant pathologists with the Texas Agricultural Experiment Station say up to a third of the grazing value of small grains is lost annually to rust.

Easy, Quick Fruit Cake

When rich, wonderfully-flavored "Desert Fruit Cake" is cut, each slice has a colorful, mosaic-like appearance, studded with fresh California dates and other festive fruits and nuts.

Handsomely decorated with additional fresh dates and candied cherries, the cake is neither difficult nor time-consuming to make.

Desert Fruit Cake

- 2 cups fresh California dates
- 1 cup golden raisins
- ¾ cup candied cherries
- 1½ cups Brazil nuts
- 1½ cups blanched slivered almonds
- ¾ cup sifted all-purpose flour
- ½ teaspoon baking powder
- ½ teaspoon salt
- 3 eggs
- ¾ cup light brown sugar (packed)
- 1 teaspoon vanilla
- 3 tablespoons melted butter or margarine

Cut dates into halves. Rinse, drain and dry raisins. Combine dates, raisins, whole cherries and nuts. Add ¼ cup of flour and toss to coat. Sift remaining flour with baking powder and salt. Beat eggs well. Gradually beat in sugar until very thick. Stir in vanilla. Fold in flour mixture, then cooled melted butter and fruit-nut mixture. Turn into 2 greased and floured loaf pans (8½ x 4½ x 2½ inches).* Garnish with whole pitted dates and candied cherries, if desired. Bake in 325-degree (moderately slow) oven 45 to 50 minutes. Turn out and cool on wire racks. Wrap in foil or waxed paper and let stand at least 4 days before serving. Slice very thin. Makes 2 loaves.

* Or 2 square pans (9 inches).

Tips On Buying Turkey This Year

COLLEGE STATION — The gobbler season of the year is here. More turkeys are bought during this time than any other season of the year, says F. Z. Beanblossom, poultry marketing specialist, Texas A &M College.

He says that homemakers who buy their turkeys through retail stores should consider a number of things when making their purchase. First of these is the size of the bird and will depend on the number of people to be served and how well the family will eat the leftovers. Generally, 3-4 pound of ready - to - cook turkey per person should be allowed for generous portions.

The next factor to consider is the quality of the turkey, according to Beanblossom. The best quality birds are Grade A and will have an even covering of fat over the entire body. Grade A turkeys are broad breasted and have bulging thighs and large drumsticks and give the best meat to bone ration for your turkey dollar. The homemaker should select a bird without blemishes, such as torn skin or bruises, the specialist says.

The grade and inspection identification is important and should be noted when buying, Beanblossom says. These are metal or cardboard tags and are on the bird for the buyer's benefit. A tag saying "Inspected for wholesomeness by U. S. Department of Agriculture" shows that it was processed in a plant under the supervision of the USDA inspection program. The tag reading "U. S. Department of Agriculture Grade A" means that the turkey has been given an official grade of A by the USDA graders in the plant.

Beanblossom also recommends that the homemaker cook the turkey according to it's weight. Allow 15 to 20 minutes per pound of ready - to - cook turkey and cook in a 325 to 350 degree F. oven.

Milam ASCS Report

Feed grain producers in Milam County will be notified this fall about general provisions of the 1963 feed grain program, according to Alva E. Sanders, office manager of the Milam County Agricultural, Stabilization and Conservation Service.

Unlike the 1962 program, only one signup will be held for the 1963 feed grain program, and that will be early next year. Additional information, including the base acreages, yields and payment rates established for farms, will be mailed to growers prior to the sign-up period. Farmers who have already planted their 1963 barley will be able to participate in the program provided they reduce their 1963 feed grain acreage by at least the minimum.

Sanders explained that the 1963 program will be a voluntary program, under which a farmer may divert an acreage of barley, corn or grain sorghums to a conservation use and receive a diversion payment and a price support payment. He will also qualify for a price support loan on his crop. Base acreages for each of the three grains will be combined into a total feed grain base for the farm, and the farmer may divert from one or more of the feed grains represented in his total base. The minimum diversion will be 20 percent of the farm's total feed grain base, and the maximum will be 50 percent or up to a total of 25 acres, whichever is higher, but not in excess of the total base for the farm.

As under the 1963 wheat stabilization program, a farmer will have to comply with the intentions shown on his agreement. If he does not comply fully with provisions of the program, he will not be eligible for any payments or price support on any of the three feed grains. Also to be eligible for a diversion payment and price support on one farm a grower taking part in the 1963 feed grain program must not exceed the total feed grain base acreage on any farm in which he has an interest.

Advance payments will again be available at the time of signup. Final payments will be made after compliance has been determined.

Services Held For For Mrs. Phipps

Surviving are her husband, Clay Phipps of Austin; one daughter, Mrs. Aileen Dodson of League City two sons, Curtis Phipps and W. C. Phipps both of Austin; 7 grand - children; one brother, Roy Fincher of Waxachie and one sister, Mrs. Clara Rogers of Houston.

Pallbearers were nephews.

County Agents Notes...

County Succeeds In Worm Drive

By J. D. Moore
Milam County Agent

The Milam County Livestock Improvement Association, headed by John S. Batte, Chairman and Bill Arthur, Sec. - Treas., assisted by community chairmen, vocational agriculture teachers and community workers, contacted 1121 county stockmen by team visits or by letterl in 12 communities in October.

More than $5,000 was collected for the Screwworm Program in October, according to Bill Arthur, Treasurer. $6,383.55 was donated by stockmen in support of the program prior to the October drive, bringing the total in excess of $11,383.55. The October figure is subject to correction because of continued donations at the various banks in the county.

The success of the drive was due largely to the fine effort of the community workers and the cooperation of the stockmen. Congratulations are in order for the fine display of cooperation of our county stockmen.

BRUCELLOSIS PETITIONS CIRCULATED

Petitions were circulated in each community during the Screwworm drive for the purpose of getting enough signatures to represent 75 per cent of the cattlemen owning 51 per cent of the grown cattle as reflected by the tax roll of the county. A temporary set of figures show 17,632 head of grown cattle on the tax roll in Milam County.

Not all of our cattlemen are aware of the opportunity to stamp out this costly disease to stockmen. When the required number of signatures have been made, the Texas Animal Health Commission will be petitioned for a clean-up program. The Commission will conduct a public hearing through the local county Commissioners Court to comply with the legal phase of the program.

If the public hearing is declared favorable by the court, Milam county would be put on the waiting list for Cooperative action. The Health Commission would hear the cost of the testing program. In testing a herd allowances would be made to prevent "hardships" on anyone.

Stockmen are urged to familiarize themselves with this opportunity. For those who have not signed a petition, you are urged to do so at your earliest convenience.

Those 4-H'ers participating in the junior division of the Rice contest were Verda Ruth Malone, Ozella and Mozella Moore. In the senior division of the Rice contest were Francis Moore and Erma Burleson.

The Bake - off participants were Louise Green and Delores Fergerson in the senior division.

Prizes were awarded the District winners in the Rice con - test. The District winners from Milam county were Ozelle and Mozelle Moore first place winners in the junior division in team demonstrations. Second place winners in the senior division, team demonstrations were Francis Moore and Erma Burleson. The third place winners in team demonstrations in the Bake - off went to Louise Green and Delores Ferguson of the Gause 4-H club.

SEARS 4-H SWINE PROGRAM

The county winners in the Swine Management Contest have been selected on the basis of the management practices conducted by the contestants and the number of pigs saved in the litters farrowed for the 1962 program.

The first, second and third places will be awarded. The first place award $12.00 will go to L. S. Stephens of Cameron, second place, $8.00 will be awarded Fredrick Kelly of Cameron and third place will be awarded to Roger Petty of Jones Prairie which is $5.00.

Good management is the key to success in any operation, large or small. We feel that the county winners as named above did a very good job in feeding their gilts and raising the litters up to weaning age. Congratulations to all and best wishes for continued success in swine production and management.

COMMUNITY IMPROVEMENT

The water testing program is underway in two communities enrolled in the Texas Community Improvement Program. Demonstrations have been given to the Gause and Griffen Chapel communities by the agents on the procedure for collecting water samples to be submitted to the State Health Department for analysis to determine wheher or not the presence of Coliform organisms exist. This demonstration will be given to the Davilla community at their next regular scheduled meeting.

ON THE WAY -- Craig Wallace, Yoe halfback, skirts left end on a reverse good for seven yards against Rockdale in the third quarter Friday. The play carried to the four - yard - line and set up the first Yoeman touchdown. Cameron's 86 is Ronnie McWilliams and the Rockdale defender is Wayne Voskamp.

Tigers Take Title

The big, powerful Rockdale Tigers downed the Cameron Yoemen 46-16 to take the District 19AA title in the Battle of the Bell.

The Yoemen were able to hold the big Tigers for the first quarter as the Yoemen controlled the ball. But after taking a punt and returning it to the Yoe 49 the Tigers started a drive to the goal. Dicky Summers pitched to Ronnie Brannon for eleven yards and then faded to pass on the next play. He was trapped and ran the ball out to the 15. On the first play the second quarter Summers hit Ernie W. Laurence with a pass for 14 yards and a TD. Ronnie Menn, Rockdale's halfback who was out most of the season with a broken leg came back this game and kicked the extra point. Only six seconds had elapsed in the quarter.

The Yoemen lost the ball several plays later on a fumble and the Tigers took over on the Yoe 25. A penalty moved the ball to the ten and three plays later Summers went over on an option play. Menn kicked the ball for the point. The Tigers led the Yoemen 14-0.

Again the Cameron team was unable to move and the Tigers took over on downs. Summers threw two passes for 50 yards and Brannon hit for 9. Summers then hit Mike Sowers for six yards and a TD. Menn again kicked the point.

A fumble gave the ball to the Tigers on the Yoe 44. After a couple of incompleted passes Summers hit Ronney Seelke with an aerial good for 39 yards. Summers went over from the five for the TD. Menn made it 28-0 with his kick.

Again the Yoemen fumbled and the Tigers took over on the Yoe 42. Summers capped the drive with a run around right end for 16 yards. Menn failed on this attempt. The half ended with the score 34-0.

After a 40 minute half - time the teams came out again and the Yoemen went to the air but the drive was stalled on the Rockdale six. In ten plays the Tigers drove the distance to the goal. Summers again capped it with a TD pass to Seelke that was good for 30 yards. The score was 40-0.

The Yoemen were down but not out as they started their drive. On an on - side kick with the score 40-0 the Yoemen took over on the Yoe 44 yard line as the ball only went four yards. Mike Mikula passed to Ronnie McWilliams for 35 yards. Doskocil was stopped for no gain. Plentl lost one. Mack McKinney threw an incomplete pass to McWilliams. Mikula threw a pass to Plentl and it went incomplete and the Tigers took over on downs.

The Yoemen forced Rockdale to fumble and took over on the Rockdale ten. McKinney and Mikula both tried a pass and both fell incomplete. On a reverse Craig Wallace picked up six and moved the ball to the four. McKinney faked a handoff to Doskocil and followed him into the hole for the touchdown. He then hit Mike Perrin with a pass for the two points.

But the Tigers came back after Summers intercepted a pass and returned it to the Yoe 33. Lester Gibson hit up the middle and went 33 yards to the goal line. Summers tried to pass but was hit and the try was no good and the score stood at 46-8 with 10:23 left in the game.

Cameron took the ball but couldn't move. Lester punted to the Tigers 37. On the next play tackle Eugene Schattle intercepted a pass and carried it to the Tiger 41.

Doskocil hit for 3 and 6. Copie Perry intercepted a Yoe pass on the eight but fumbled the ball as he was hit and the Yoemen recovered and took the ball on the eight.

It was a hard fought game as the Yoemen could not stop the Tiger offense in the second quarter and that quarter was the difference.

Give Impressions Of Football

6 Seniors Play Last Game

"Never have so few done so much and received so little" is the way Coach John Roberts summed up the 1962 Yoemen. And this could certainly apply to the six seniors who were the leaders of the team.

The six, Amos Doskocil, Bob Dymke, Eugene Schattle, Mike Mikula, Joe Mayer and Bobby Jones, played their last game for the Cameron Yoemen last week.

These boys have been the leaders and the coaches' right hand during the football season. In discussing the season with them they all liked the game and think they have profited from the game.

Amos Doskocil, one of the top backs in Central Texas, gave this reason when asked why he came out for football. "I like to run and hit. I also like to keep in good physical shape and football gives me a chance to do all three." The 1961 All - District halfback is not only active on the football squad but is also in the FFA and a member of the Student Council. Hard - hitting Doskocil said that football has made him grow up and given him independence. "And one of the most important lessons has been the physical and mental discipline that you learn. Another thing is learning to take orders." Doskocil wants to go to college and, of course, he will play football.

Student Council President, Bobby Jones is one of the better leaders on the team. He is a member of the Jr. Historians and Latin Club, FFA King and a winner of two citizenship awards. Jones said that he liked to keep in good physical condition and the 159 lb. guard likes the contact of football. "It was a type of challenge to me," he said. "You get a lot out of football. I think I have matured faster physically and I believe that the knocks you learn to take in football prepare you for later life," Jones stated.

Senior Class President Mike Mikula is one who got started late on his football career. This was his first year on the varsity and he started at quarterback and defensive halfback. "Football has helped me physically and mentally," Mikula said. "You get to know people better and you are one of an elite group." Mikula is a member of the Spanish Club where he has been reporter and president and is a member of the Jr. Historians. A manager until two years ago Mikula gave these reasons why he came out for football. "I wanted to prove that I could do it and I like the game."

Standing only 5 ft. 6 inches tall the little fullback said, "I like football, I always did." Joe Mayer is rated at only 145 pounds but pound for pound is one of the toughest men to put on a football uniform. Mayer is a member of the Slide Rule Club and has taken part in plays and other activities at Yoe High School. "You get a lot out of football both physically and mentally, you get a positive outlook and it is a great experience. Whoever comes out for football leaves with a lot more than he came in with."

A future Coach Bob Dymke says that he came out for football because ever since he was a small boy he liked to play it and go to the game. He admired the former students and they gave him the ambition to play sports. He takes an active part in school as he is a member of the Slide Rule Club and reporter of the Senior Class. He has been on the school newspaper for two years and is Sports Editor this year. Dymke said "I think football makes you a man and gives a boy the responsibility needed to develop into a man. It also gives you a chance to work with your teammates and teaches you to be part of a team."

At 176 pounds Eugene Schattle is the biggest of the seniors. He was All - District last year and honorable mention the year before. He is class president of the FFA. "I came out for football because it seemed natural and was the thing to do. I like contact and football gives you plenty of that." Schattle continued, "You put a lot of work into football and it is something of which you can be proud. You learn to work together and get the experience of being on a team." Schattle is undecided as to what he will do after he gets out of school.

It has been a rough season for the Yoemen as they proudly battled the odds of numbers and weights in every game. But these six boys were the leaders. They held meetings on their own. They made decisions on the points that affected the team. But all of these boys feelings can be summed up in the simple statement of Jones, who was spokesman for the group in the meetings. "We have enjoyed playing football and working with the coaches this year."

CHANGEOVER -- Coach Joe Davis swaps uniforms with Merlin Lester Saturday as the Yoemen start basketball practice. Davis wasted no time in the changeover as he started his basketball hopefuls thru the drills Saturday morning. The first game for the Yoemen is Tuesday with McGregor in Cameron and will start at 6:30.

sports herald

By James Hollas

Ten hours after the final gun sounded the end of football for the Yoemen they were back at the Yoe gym and basketball practice was started. Coach Joe Davis scheduled a practice Saturday morning to start getting the team ready for their first game with McGregor on Nov. 27.

He had already spent hours getting the gym ready for the roundball season and the Yoemen hit it running. Some of the boys, though sore from the hard game with Rockdale the night before, were looking good for the first day out.

Davis is stressing fundamentals this year as that is the key to basketball. The boys were running basic drills and shooting set shots.

-sh-

People around Cameron are asking about the all - district team and this elite team will be released in the near future. Cameron should have their share of the boys named.

If one were to name a team of boys with just plain guts and hustle the Yoemen would have more than their share. These boys were underdogs in the weight department every game of the season but that didn't matter. They went out after these odds and fought all the way.

-sh-

Someone we didn't expect to fall was Rosebud. The Panthers were nine - zero for the season before they met Midway last week. Midway's fine halfback Gray Tompson was the standout as the Midway team topped Rosebud 21-14.

Rosebud was rated as high as number four in the state before the game and the defeat dropped all hopes of their being in the playoffs.

-sh-

The tie for which we were hoping didn't come off and we missed one last week. That gave us a 25-8 record or a .814 percentage for the year. And that does not include the Pflugerville game.

We invite you to join the growing audience of BILL AUSTIN, Virtuoso of the Baldwin Organ. Appearing each Tuesday from 7-10 p. m. at the TEXAN'S WESTERN ROOM. His talent is a handsome addition to Cameron's entertainment attraction to all Milam County!

Mr. and Mrs. Henry Hubnik

Motl, Hubnik Vows Repeated Recently

Miss Katherine Joyce Motl and Henry Charles Hubnik were united in marriage Oct. 27 at St. Cyril Methodius Catholic Church in Marak.

Parents of the couple are Mr. and Mrs. C. F. Motl of Temple and Mr. and Mrs. John Hubnik of Rt. 1, Cameron.

The Rev. Rafael Gerskovick read the double ring ceremony before an altar arrangement of white chrysanthemums. Wedding music was provided by Mrs. Alfons Tomek, organist and the Marak Choir.

The bride, given in marriage by her father, wore a floor - length gown of white embroidered peau de soie, fashioned with long tapered sleeves which formed points over her hands. The fitted bodice was accented with a round neckline embroidered with pearls.

Her fingertip veil of illusion was held by a crown of seed pearls. Her only jewelry was a strand of pearls and she carried a bridal bouquet of white roses and rosebuds.

Mrs. Johnny Hoelscher of Temple served her sister as matron of honor. Miss Janet Pecnal of Temple was maid of honor. Bridesmatron was Mrs. Louis Hubnik of Temple and Miss Martha Kopriva of Cameron was bridesmaid.

They wore street - length dresses of champagne peau de soie fashioned with a fitted bodice, sabrina neckline and pleated skirt. The headpieces were of the same material and they wore matching satin shoes and carried cascade bouquets of bronze mums.

Monica Hubnik, daughter of Mr. and Mrs. Louis Hubnik was flower girl. Her full skirted dress was of light brown organza over taffeta. She carried a white basket of petals.

Ring bearer was Gary Clyde Mitchan, son of Mr. and Mrs. Eugene Mitchan of Cameron.

Louis Hubnik served his brother as best man. Groomsmen were Calvin Motl, brother of the bride, Johnny Hoelscher and Stanley Hubnik, brother of the bridegroom. Ushers were Milton Hubnik, brother of the bridegroom and Maurice Woytek.

After the ceremony the bridal party attended a breakfast at the home of the bridegroom's parents. A reception was held at Flag Hall with a dinner and supper followed by a dance.

Mrs. Maurice Woytek, sister of the bridegroom and Miss Evelyn Vrazel registered guests. Mrs. Kenneth Andel and Miss Barbara Coufal, both of Temple served the three - tiered wedding cake.

Other members of the houseparty were Mrs. Jerry Trampota, Mrs. Henry Coufal, Mrs. Raymond Pechal, Mrs. Ed Svajda, Mrs. Dan Hoelscher, Misses Mary Svajda, Helen Coufal, Clara Coufal, Shirley Pechal and Elline Hoelscher all of Temple.

Also Mrs. August Hubnik, Mrs. Frank Hubnik, Mrs. John Gelner, Mrs. John Jedlicka and Mrs. Charles Simicek.

The rehearsal dinner was held at the home of the bridegroom's parents on Thursday night.

The bride is a graduate of Rogers High School and the groom, a graduate of Yoe High School, is employed in Cameron.

The couple will live on Rt. 1, Cameron.

1952 Yoe Exes Hold Reunion At City Park

The 1952 graduating class of Yoe High School in Cameron met for its first class reunion at the City Park in Cameron on November 11. Sixteen exes together with their families (a total of 59) gathered for a noon picnic lunch and short business meeting.

Also in attendance were Miss Ada Margaret Smith and Mr. and Mrs. John Rosson. Miss Smith and Mrs. Rosson are former teachers of the group.

Prizes were awarded to Mrs. Larry Martin, formerly Miss Nora Frances Price, for having the largest family present and to Charles Richards for having traveled the longest distance to attend. Richards came from South Viet Nam.

Everyone appreciated the efforts of the exes living in Cameron for making arrangements and preparations for this reunion. For several of the class it was their first acquaintance since graduation ten years ago. After lunch and visitation period it was decided to have another reunion in 1967.

Exes present were from Cameron, Buckholts, Waco, Bryan, Houston, Freeport, Dallas, Irving, and South Viet Nam.

Local Garden Clubs Attend District II Meet In Rosebud

The Division II meeting, Dist. V Texas Garden Clubs, Inc., held in Rosebud, Nov. 7 was represented by both the Civic Garden Club and the Fleur - de - lis Garden Club of Cameron.

Host for the meeting, Rosebud Garden Club, held a coffee and registration period from 9 to 10 a. m.

Mrs. John Schigut Sr., president called the meeting to order. Invocation was given by Mrs. George Robertson and the welcome by John A. Tarver, Jr., mayor of Rosebud.

"The Art of Candle Making" was the program given by Mrs. V. A. Craven of Waco.

Herald Corrects Haney - McGregor Engagement Story

By mistake The Herald printed the Viva Lynn Haney - Charles McGregor engagement and approaching mariage announcement wrong.

It should have read:

Mr. and Mrs. A. B. Hairston of Cameron announce the engagement and approaching marriage of their daughter, Miss Viva Lynn Haney, to Charles Wayne McGregor, son of Mr. and Mrs. Talmage McGregor.

Miss Haney is a 1961 graduate of Yoe High School and is presently employed in Rockdale. McGregor is a 1960 graduate of Yoe High School and is now attending Temple Junior College while employed with radio station KMIL.

The wedding date is set for December 22.

FAVORITE FOODS

Consumers will find plentiful supplies of their favorite holiday season foods this year. They are reminded that the farmer who produced these high quality foods, on the average, will receive only 38 cents out of every dollar spent for food at the retail store. The prices he receives for his crops and livestock have dropped 12 percent since 1947 - 49 but during the same period, the prices he pays for supplies and other needed materials and equipment have risen 20 percent.

Ladies Society Holds Meeting

St. Monica's Ladies and Christian Mothers Society held its regular meeting Nov. 6 at Simon - George Hall with Mrs. Louis Hollas presiding.

The society will sponsor a supper and game party for the general public, Dec. 9 at Simon - George Hall. Mrs. Pete Mikula was appointed general chairman for the event.

The ladies were reminded of the Bishops Clothing Fund and voted to prepare Christmas boxes for the shut - ins of the church.

A short program on the Ecumenical Council was given by Rev. John Geiser.

Kahler Speaks At Fleur-de-lis Meet

James Kahler, owner of the Kahler Nursery, presented a program on plant and shrub propogation to the Fleur - de - lis Garden Club Tuesday night.

The Club met at the home of Mrs. Frank Luecke. Mrs. A. W. McCullin, Jr. was co - hostess.

Year books were distributed and Mrs. Monroe Fuchs reported on the garden club division meeting which 8 Fleur - de - lis members attended in Rosebud Nov. 7.

A membership plant exchange and social hour followed the meeting.

HARD OF HEARING
Losses Are Different

Each hearing loss is different and each case must be fitted different! In the past few years research has proven this over and over — for example.

1. Some people can understand talking to one person, but in a crowd everything seems to run together.

2. Some hear men's voices but can not understand women or children.

3. Some hear good in small rooms, but in church or group meetings they miss part or all that is said.

4. Some have head noises that stay with them day and night.

We could go on and on, but its obvious from the above that it is impossible to fit the many different types of hearing loss with just a hearing aid. Neither could you take one set of glasses and fit everybody's eye loss.

To fit the hard of hearing as they should be fitted, a complete test must be run to find the type of hearing loss they suffer from. Then using the Evaluator we are able to know what to build in your instrument to correct your hearing loss. With the Evaluator you will know exactly how you are going to hear before we send your prescription to the Lab to be built. In most cases the cost is less than you would pay for a hearing aid, so why take a chance.

If you have a hearing problem of any kind you owe it to your self to come in for a test. (The tests are free.) Remember — It's better to light a candle than to cuss the darkness.

Mr. Treadway will hold his regular Hearing Clinic at the Cameron Hotel in Cameron Tuesday, November 27th from 3 p. m. to 5:30 p. m.

Our Temple office is open each day to serve you, altho Mr. Treadway is there only on Thursdays and Fridays. We do repair service and have supplies for all makes of hearing aids. If you are unable to come to the clinic, write or call and we will come to your home.

LONG DISTANCE SERVICE

Some people might wonder why the long distance operators for Cameron are located thirty miles away in Temple. There are many answers to this question but basically it is because it enables us to give you better service at a lower cost. In the telephone business, we are continually looking fo rways to reduce the cost to our customers and at the same time give them better service.

Speaking of service, every so often we go by and see some of our customers just to get their comment on how we do business. A few weeks ago Mrs. Theresa Robinson, the Assistant Chief Operator was over in Cameron doing just this. She was talking with some of you folks about your long distance service. Mrs. Robinson, in making these visits, is interested in the type of service you are receiving. Your comments are always welcome because they enable us to do a better job.

An Irony Of Idealism . . .

India -- land of the pacifist and starvation, land of Rudyard Kipling's "Kim" and the Bengal Lancers and a thousand legends of literary fame -- now is potential birthplace of World War III.

Overwhelming numbers of Chinese crash into the mountain passes bordering the Assam Plain, relative short miles bursting into a northern heartland of Hindu India.

Prime Minister Nehru has called for total mobilization of India's people, 450 million whose nationalism awakens militantly to the peril of communist domination. He has asked for "massive aid" from the U. S. and the west, aid which is being furnished in transport planes and helicopters and probably in military technicians.

It is a different India from the commonwealth nation that Britain explored and exhumed from an historic mystery of Maharajahs and Mongol kings. In its transition years from 1947 to the present, India found Ghandi, now dead, and Nehru idealism striving for a democracy in the East.

An "unaligned" democracy, this India shunted alliance with the West, playing for a balance that deposed Krishna Menon tipped ever and obviously to communist clime.

But today India founders in its pacifism and appeals where Menon chose not to go -- to the West.

India now learns her shroud of democracy fails to fend the dictatorial dent of Chinese communism. Idealism must carry a sword.

Somewhat like the early United States, modern India knows now that non - alignment invites invasion. France came to our aid in Revolutionary Days, not altogether in idealism but because Britain threatened in Western Europe.

Indeed, India is in a struggle to test her democracy. And those nations attended least in recent years will offer most. It is indeed an irony of idealism.

A Jamboree For Growth . . .

Cameron promises an entertaining, interesting evening from 5:30 p. m. on Friday, November 30, at the "Little Jewel" Jamboree.

There will be hotcakes, coffee, musical entertainment, a magician, pantomime and some unannounced attractions at the Cameron Chamber's first "Jamboree."

The evening will begin following the annual Christmas parade in downtown Cameron, expected to attract some 8,000 to 10,000 people if support is as strong as early enthusiasm.

Proceeds from the "Jamboree" will go toward purchase of Welcome to Cameron signs at the three major highway entrances of Cameron, namely US 77 north, SH 36 west, and US 77 - SH 36 east.

The signs will be 10 by 4 feet in maroon and white and will show a diamond (Little Jewel) reaching downward to Cameron's site on a big map of Texas.

The November 30 effort is worthy of the support of all Cameron and surrounding area. Fine entertainment of professional entertainers will highlight the event.

It is enthusiastic evidence of Cameron's desire for growth.

'49 Housing Act Adds Provisions For Loans, Grants

L. J. Cappleman, State Director, Farmers Home Administration, advised the local County Supervisor, Henry N. Ivey, that recent legislation amends Title V of the Housing Act of 1949 by adding new provisions which authorize loans and grants for moderate cost housing and related facilities for elderly persons and families in rural areas It liberalizes some regulations on rural housing loans now being made by Farmers Home Administration and sets up new direct and insured loan programs.

This new legislation will be administered in Milam County by USDA's Farmers Home Administration. Rural housing loans are made by this agency to farmers and other families living in rural areas who need improved housing and cannot qualify for credit from other sources.

One new provision will give those people, who are 62 years of age or over, special advantages not available under the earlier loan program. First, they can buy previously -- occupied existing housing as well as improve their homes Second, they can finance the cost of the building site as well as the dwelling with the loan proceeds; other families must own the land on which to build the homes before they can apply for a loan. Third, consigners may be used by elderly applicants who are deficient in repayment ability. Like rural housing loans now being made by Farmers Home Administration, these direct loans will bear interest at the rate of 4 per cent and may be repaid over a period not exceeding 33 years.

For detailed information concerning rural housing loans for the senior citizen, Henry N. Ivey, Local County Supervisor, Farmers Home Administration, may be contacted. The office serving Milam and Burleson Counties is located in the Henderson Building in Cameron. Office day is every Wednesday morning from 8 a. m. to noon in Cameron and from 10:00 a. m. to noon in the courthouse in Caldwell every Thursday.

Draft Quota 235 For December Call

AUSTIN — The state quota for Texas draft boards in December calls for 231 men, Colonel Morris S. Schwartz, state Selective Service director, announced Tuesday.

The state's December call of 235 compares with a quota of 153 for November and 160 for October. The December call is the state's share of a national quota of 6,000 men, all for the Army.

Colonel Schwartz also announced that local boards would send no men for pre - induction physical and mental examinations in December.

Local board quotas for the December call already have been figured and sent to the state's 137 local boards.

The December quota will be filled with men who are at least 22 years old on December 1, except volunteers and those legally termed delinquent under the draft law, who may be younger.

Inauguration In Air At Capital

AUSTIN — Capital city folks already are getting "Inauguration Fever."

"Inagural plans for Governor-elect John B. Connally will be far more elaborate than any held in the past decade." So reports Frank Erwin, secretary of the State Democratic Executive Committee, who is in charge of arrangements.

Festivities will begin the evening of January 14 when 5,000 Democrats are expected to pay $25 a plate for a Victory Dinner in Austin's Municipal Auditorium.

On the morning of the 15th, there will be an interfaith Prayer Breakfast in the Driskill Hotel.

At noon Governor - elect Connally and Lieutenant Governor-elect Preston Smith will be "sworn in" in a ceremony supervised by the State Senate and House of Representatives.

Inaugural parade, following the ceremony, is expected to be one of the largest ever held in Austin. High school bands from all over the state are accepting Connally's invitation to participate. Many out-of-town floats also will particiate. Also taking part will be the U. S. Navy, with a salute to its former secretary, John Connally.

The Capitol and all state building on its ground will be illuminated that evening. All Texans will be invited to greet their new chief executive and other elected state oificials and enjoy refreshments and entertainment in the Capitol.

This gala evening event is a brand new invocation.

TEXTBOOKS SELECTED

State Board of Education voted to accept the State Textbook Committee's recommendations for new texts in 13 public school courses, and approved its recommendation not to select new economics texts at this time.

In compiling a list of some 65 textbooks for selection by local boards, the 15 - member committee studied 188 books submitted by 33 publishers, with the assistance of 517 professional advisors and 400 laymen.

Texas Education Agency experts in 19 fields then reviewed their selections and submitted some 400 suggested corrections, which the publishers agreed to make.

Most of the corrections refer to typographical mistakes and minor factual errors.

State Library agreed to keep a copy of each recommended text so that they will be available to individuals who may want to protest acceptance by local school boards.

Board of Education also will send samples to local boards, according to enrollment: one set for 500 pupils; 16 sets for 10,001 to 50,000 pupils; etc.

Local boards must appoint their selection committees by December 15.

REPORT POSTPONED

House Textbook Investigation Committee postponed completion of its final report to the next legislature for the second time.

Committee, headed by Rep. W. T. Dungan of McKinney, will meet on December 27. Then each of its five members will submit individual reports on hearings held in Austin, Amarillo and San Antonio.

Decision to make separate reports from each committee member underscored the squabbling which has beset the committee since it began public hearings last January.

Committee voted to exclude mention of a Dallas hearing, where former Mag. Gen. Edwin A. Walker testified, since Representative Dungan was the only member present.

RABIES DOWN

State Department of Public Health reports that the incidence of rabies is decreasing.

For example: the number of rabies cases reported between January 1 and September 30 of 1953 were 1,336. Reports for the same period in 1962, nine years later, totaled 448.

No cases of rabies in bats were listed from 1953 to 1956. But they numbered 26 this year.

Dogs were the animals most frequently infected with rabies. Foxes followed second.

Only 15 cases of rabies in humans have been reported over the past 10 years.

THE OLD PHILOSOPHER

Philosopher Claims Communist Powers Haven't Learned Everything Yet About Human Nature

Dear editar:

When Mr. Khrushchev's man in Washington, I forget his name, well I haven't forgotten it but I can't spell it, was telling Mr. Kennedy a while back that Russia had no missiles in Cuba, he knew at the time, as everybody knows now that he was lying.

Now you might think this would be embarrasing to the Russians, but on the contrary they just laugh about it. Lying is one of the handy devices the communists use whenever they get ready, and they've found it works plenty of times.

The Communists have found out that telling the truth is in such high standing in the free world that you can gain lots of territory by deliberately abusing it. India is the latest country that can tell you about this at the moment.

But here's a point I'm afraid the Communists have overlooked. They know quite a bit about human nature, but not everything. For example, if you can fool one group of people with a delibarate lie, what's going to keep one Communist from lying to another Communist. What makes one Communist assure another Communist doesn't have a notion that the Russian and the Chinese Communists are now learning something about human nature, that if you can fool free countries by lying to them, you can also fool other Communist countries with each other. One has believed the other when he shouldn't have. They've forgotten that a liar on one front is pretty likely to be a liar on another front.

When Khrushchev says Communism will dominate the world. He's talking about Russian Communism. When the Chines say the same thing, they're talking about Chinese Communism.

When a nation establishes throat - cutting as a national policy, it never knows when its own throat will be next.

Yours faithfully,
J. A.

FOUR GREAT NEW LINES OF CARS

'63 **AVANTI** / '63 **LARK** / '63 **CRUISER** / '63 **HAWK**

Designed for the most discriminating, priced for everyone, this is the most unusually distinctive range of cars ever offered Americans by one manufacturer. Each of them is made to satisfy a particular need. All offer features and options unknown on U.S. cars before.

Supercharged engines for ultra-high performance. Caliper disc brakes for remarkable stopping power. A built-in vanity case with mirror. 3- and 4-speed transmissions and automatics. Sunroofs, too. A unique wagon. See them today.

1. Avanti—*America's most advanced automobile.* Holder of 29 international speed records. One of the world's safest and most elegant cars.

2. Lark and Lark Daytona—*feature cars of their class.* Offering a revolutionary new sliding roof wagon—the Wagonaire, 2- and 4-door sedans, hardtops and convertibles.

3. Cruiser—*America's first and only limousette.* Combines limousine space and luxury with common sense length.

4. Hawk—*America's only popular priced sports classic.* A stylish out-of-the-ordinary big car at a price lower than you'd expect to pay.

If you're thinking of buying a car—no matter what type or price—enjoy an eye-opening demonstration at your Studebaker Dealer's now. See how much the advanced thinking of Studebaker can do for you.

GOP Closes Doors Of Headquarters

Milam County Republicans closed their campaign headquarters offices in Cameron and Rockdale last week and took stock of the results of the November 6 election.

GOP county chairman, Dr. E. O. Smith, Jr., and other Party leaders said they were well pleased at the Republican vote in Milam County.

"In 1956, for instance, our candidate received only 7 per cent of the vote for Governoer here in Milam County," Jack Tumlinson, a member of the Executive Committee pointed out. "But in this year candidate, Jack Cox, received 30 per cent despite a light vote in the county."

Lions Report Broom Sale Is Success

In the regular weekly meeting Richard Williams reported that the Cameron Lions sold about $840 worth of brooms, mops and other items in the recent broom sale on Election Day. The unit sold out of brooms at the polling places and there was no house - to - house sales.

Bill Marek had the program and showed slides of his recent trip to Florida.

THANKSGIVING!

Maybe the turkey doesn't know what it's all about — but the lady does!

During this Season of Thanksgiving, let us be sure that we remember "what it's all about"! Let us remember that our nation was founded for the purpose of "worshipping God according to the dictates of our consciences". Let us, as did our forebears, humbly thank God for His preservation and provision.

In heart, in home, in church, may we bow before Him in recognition of His sovereign will, and find a new dependence upon Him to guide our nation in these perilous days.

So shall there come many days of thanksgiving.

Enter into His gates with Thanksgiving
